## GUIDELINES

The academic calendars vary at the different Consortium schools and it is the responsibility of the student to become familiar with the host school calendar, vacation periods and the last day to withdraw from a course without penalty.

In certain instances, there are institutional guidelines that will prohibit cross-registration for specific courses. While the Consortium has summarized some of those guidelines here, the responsibility ultimately rests on the student to become aware of the host school policies.

- Capital Community College students may only cross-register for first and second year courses at a four year institution.
- Central Connecticut State University students may cross-register for no more than two courses each semester.
- Hartford Seminary students are required to obtain permission from the Dean and their advisor.
- Saint Joseph College students are limited in the number of lower division courses that they may take. Check with the SJC Registrar.
- Trinity College students who have earned 18 credits are not eligible to take community college courses. Trinity students are also not allowed to cross-register for a course that is presently offered at Trinity. Finally, Trinity's I.D.P. students may cross-register.

## PROCEDURES

1. Select one or more courses. Your registrar has catalogs from the other colleges or you may find course descriptions on the other colleges' web sites.
2. Check with your home school registrar to make sure the course will be accepted for credit. If so, ask the registrar for a cross-registration form.
3. Visit with your faculty advisor to discuss your decision. If in agreement, have your advisor sign the form.
4. If permission of the host school instructor is needed, you may obtain his or her phone number from the Consortium office and then arrange a visit.
5. Finally, take the completed and signed cross-registration form to the college where you wish to enroll. You must wait until Consortium registration begins on:

**May 3, 2010**

Please contact the Consortium office if you have questions about the cross-registration procedure. Additions and deletions may occur after the Course List is published. Please check our web site at [www.hartfordconsortium.org](http://www.hartfordconsortium.org) for current listings.
